6. Year @ MedUni Vienna: Training mobilities

Step 1:

The application with **Training Agreement** has to be sent **directly to the respective department** for acceptance.

Step 2:

The acceptance of the department & the Training Agreement have to be forwarded to the **International Office** for confirmation by the ERASMUS coordinator and for the **obligatory** registration and enrolment at the university.

Deadlines for the academic year 2014/15 :
for trainings in winter term from October- February: 30. November
for trainings in summer term from March- September: 30. April

- **The years 1-5 of the curriculum:**
Due to overlapping schedules, modules and line courses can only be picked from one and the same study year. It is only possible to pick modules from different study years after consultation with the International Office in exceptional cases.
- **The written exam for the curricular courses of the years 1-5:**

Students who come for the whole academic year have to take the exams at the end of the academic year (end of June/beginning of July).

For students who just come for the winter semester there will only be an exam for the courses of term 7 and term 9 in the semester holidays at the end of February.

If required it is in exceptional cases possible to combine curricular courses with clinical clerkships in two-weeks-steps with a minimum duration of 2 weeks.

For the [ONLINE-Application for the years 1-5 of the curriculum](#) please choose from the following list of all courses available for Incomings 2014/15!
