Dear Partner,

This is a short heads-up regarding the **nomination process for study stays** at Medical University of Vienna (A WIEN64) in the academic year 2023/24.

**The timeline for nominations is April 1<sup>st</sup> to April 15<sup>th</sup>, 2023.**

Please note that this timeframe applies both to nominations for the **2023/24 winter term**, the **2024 summer term** and the entire **academic year 2023/24** (i.e. there will be **no** separate nomination deadline for the 2024 summer term).

- Since all curricular courses and exams at MedUni Vienna are held in German, students planning a study stay have to provide proof of German proficiency during the application process (CEFR level B1 or higher, see details [here](#); this requirement doesn't apply to students whose mother tongue is German).
- For details on the application process and required documents please refer the brochure "Information for Incoming Students" linked on the following website: <https://www.meduniwien.ac.at/web/en/international-affairs/student-staff-exchange/student-mobility/student-mobility-for-studies/> (version 2023/24). In this brochure, information on course options at MedUni Vienna is provided as well.
- The MedUni Vienna fact sheet can be found on the following website: <https://www.meduniwien.ac.at/web/en/international-affairs/student-staff-exchange/contact/>.
